## Car launch Event and Car Showroom Services from SXS Events

SXS Car Launch Services is one of the most experienced, well-stocked and friendly events companies in the UK.

We have worked on numerous car launch events for BMW, Mini, Lexus, Toyota and Isuzu to name a few. Our experience and equipment make us your ideal provider for car lau

### Car Launch Design

Our team is unique. We have worked on events ranging from high-end corporate launches and conferences, to large entertainment events, to high-budget private parties. This experience gives a wide and in-depth understanding of what can be done at events and how to do it.

### Showroom Decor

While we have the experience to design and deliver your event, our real value comes from the fact that we own all the equipment to do even the largest of launch events. The means a streamlined service for you.
