# Event Production services

Organising your event should be a fun and exciting process. Our entire ethos is based on you enjoying the process of creating an exciting and successful event.

SXS Event Management ensure that your event has creative flair, runs smoothly and that all angles and finer details are covered.

Our experience of producing over 1500 events, along with our diverse stocks of theming, staging, rigging, drapes and catering equipment means you are assured of a smooth, on time, on budget event.

## Event Design

Let us create the perfect atmosphere and aesthetic to your event using our diverse stocks of lighting, drapes, centrepieces and feature pieces.

## Event Production

Production is the technical aspect of the event and includes performance stages, lighting design, rigging and artist management. Read more....

## Furniture

Be it some basic conference furniture or elaborate decorative sofas, we can provide whatever you desire. Read more....
