

Charity Event Sponsorship Application Form

Background

We at SXS are grateful for all the assistance, guidance and success we have achieved over the years. In acknowledgement of these gifts, we are committed to giving back to organisations that we feel make valuable contributions to others and their communities.

The Sponsorship

We offer two levels of charity event sponsorship:

Full Sponsorship – to one event every year we offer complete sponsorship by means of providing full production services completely free of charge. The company provides the equipment at no cost and the staff contribute their time for no cost.

Partial Sponsorship – to a limited number of events, we offer one aspect of our services free of charge, if taken alongside other paid-for aspects of the event.
